

Saint John 225 – On The Edge
Thursday Aug. 5th to Sunday Aug. 8th
Application Information and Requirements

About Reunion 2010 and Saint John 225

The mandate of Reunion 2010 is to shine a spotlight on the talented musicians and performers of the Saint John region. It is the third of five summer festivals hosted by Saint John 225. Reunion 2010 will be held at a variety of venues around Saint John's historic waterfront and Uptown.

On the Edge Information and Requirements

Can you dance while juggling tri corne hats? Can you sing while painting with your nose? Perform great feats of magic and artistic wizardry? If the answer is YES, then Saint John 225 wants you for On the Edge.

Saint John 225's On the Edge initiative takes live performance to a whole new level of creativity and originality. Intended to complement the Reunion 2010 Music Festival from August 5th – 8th, these acts will give performers from the Saint John community an opportunity to showcase their original talents in front of live audiences.

Tell us what you want to do. Think outside the box! Saint John is your canvas or stage. Imagination has no bounds! The sky is the limit! Or the harbour! Or your favourite street corner!

Application Deadline – Tuesday June 22, 2010 – 11:59 p.m. ADT.

All performances must be SAFE & SUITABLE for families.

Preference will be given to performers who incorporate the following:

The use of many and/or mixed art forms in the act. Suggested art forms include but are not limited to:

- dance, music, visual arts, sculpture, video, juggling;
- demonstrate they can do something out of the ordinary; and,
- can prove their connection to Saint John.

Honorariums will be available to performers. ***NOTE:** Payment will not be issued until successful completion of the performance. Payment may be withheld if mandatory criteria are not met.

On the Edge acts proved acceptable will be given seven days from the date of notification by the committee to accept or decline participation. Only successful applicants will be notified.
